

# KNOX

UNLOCKING STUDENT POTENTIAL  
SINCE 1904

## WELCOME TO KNOX

*THE OLDEST ESTABLISHED PRIVATE SCHOOL ON LONG ISLAND*

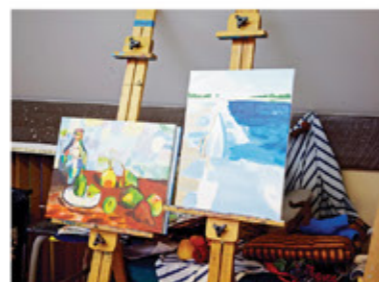

At Knox everyone knows your name. Small class sizes allow students to receive the individual attention families deserve when investing in a private school education allowing Knox educators to know our students beyond the walls of just the classroom.

THE KNOX SCHOOL

# UNLOCK *YOUR* POTENTIAL @ KNOX

"Whether you are an aspiring engineer or equestrian, artist or architect, performer or physicist, a Knox education unlocks every student's potential and prepares them for success after high school."

VIRGINIA RICCARDI  
HEAD OF SCHOOL

## BOUNDLESS EXPERIENCES.

"Our faculty measure their success in the success of their students—and that fact makes all the difference."

DONNA PERGOLA  
DEAN OF ACADEMICS

## INSPIRED TO GO HIGHER.

### Endless Opportunities

We offer the highest levels of academic, artistic, and athletic programming including Advanced Placement classes and dual enrollment courses for college credit. Our STEM lab is a gathering place for students to explore technology, computer science, and engineering. There are endless opportunities at Knox.

### Character Building

Our school community lives daily by the core values of Respect, Responsibility, Integrity, Courage, Kindness, and Scholarship. Our graduates bring these values with them when they leave the gates of our campus after high school, ready for every challenge that lies ahead.

### Maximized Potential

Millions of dollars in college scholarships earned yearly. World record holders in Crew. National champions in the world of Equestrian. Regionally recognized visual and performing artists. Knox is the place to unlock and maximize your potential.

## 100% ACCEPTANCE TO TOP UNIVERSITIES.

### Signature Programs

#### GRADUATE CAPSTONE PROJECTS

Offered in science and the humanities, these courses offer an invaluable year-long, college-level research and writing experience.

#### STEM

A state-of-the-art lab with programming that starts in middle school, the Knox STEM program offers challenging courses in robotics, coding, engineering, and computer science.

#### VISUAL & PERFORMING ARTS

Year-round multidisciplinary programs offer opportunities to showcase student talent both on and off campus.

#### EQUESTRIAN

Our oldest and most renowned program provides instruction, competition, and the option to board your horse at our on-campus, state-of-the-art facility.

#### CREW

Attracting rowers internationally, Knox Crew offers the chance to train year-round and launch directly from our waterfront campus.

## EVERY STUDENT IS FAMILY.

"We wanted personal attention, high expectations, and a focus on developing our son's strengths. We got it."
