

this is **HOBAN**

The Mission

We are a Catholic high school in the Holy Cross tradition.

We celebrate our diversity, value each person, and welcome one another with the hospitality of Christ.

As a family of learners, anchored in gospel values, we empower each other to grow spiritually, develop intellectually and reach out in service to others.

Within an innovative and orderly learning environment we are committed to challenging each student in both heart and mind to be a compassionate individual, a lifelong learner, and a responsible steward of God's creation.

“

The quality which defines the students of a Holy Cross education heritage is the training of the hearts as well as the minds.

- BLESSED BASIL MOREAU
Founder of the Congregation of Holy Cross

AN EXPERIENCE THAT IGNITES YOUR FUTURE.

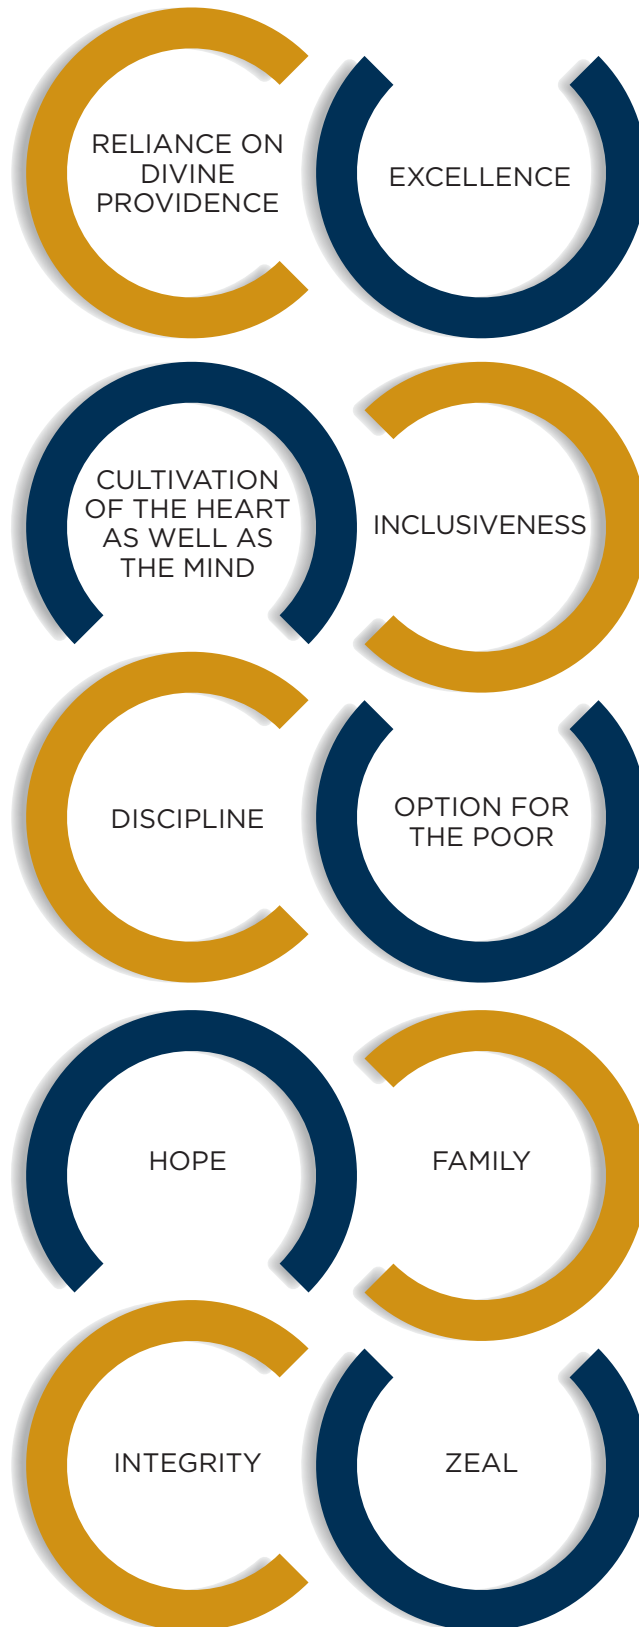

Built on a promise to empower the heart and mind, Archbishop Hoban High School nurtures the smallest spark of passion into a lifetime of success. With an inclusive, family-oriented environment, you will receive an education grounded in faith, service and innovation creating an experience that is True to You.

Holy Cross Ten Core Values

Hoban is sponsored by the Brothers of Holy Cross, the first order of teaching brothers established in the United States. The Holy Cross educational tradition in this country dates from the founding of the University of Notre Dame in 1842.

ENTREPRENEURSHIP

The McCool Center for Entrepreneurial and Leadership Studies is where students take courses that emphasize leadership, communication and innovative problem-solving from learning the entrepreneurial mindset. The entrepreneurship curriculum stresses the application of these skills in the classroom and an array of experiential learning opportunities.

ARCHAEOLOGY

Archaeology is a senior-level course designed to spark students' appreciation and deepen their understanding of historical events. Students can travel to Mount Vernon, Va., to work alongside professional archaeologists at George Washington's estate. Hoban is the only high school in the country to be granted this access.

VISUAL AND DIGITAL ART

The new CREATE Studios houses Hoban's 17 visual and digital art courses offered to students of all skill levels. Year after year, students produce outstanding works of art that are recognized locally, regionally and nationally. With the addition of CREATE Studios, students receive the hands-on instruction in a state-of-the-art facility that provides the tools needed to explore the arts and personal expression as growing artists with arms-length access to industry professionals

PRE-ENGINEERING

Pre-engineering I provides students with exposure to four primary disciplines of engineering: chemical, civil, electrical and mechanical. *Pre-engineering II* introduces students to the tools of engineering. *Pre-engineering III* is an independent study course that matches students to a sponsor company that exposes a student to a meaningful, hands-on, engineering experience.

ENVIRONMENTAL SCIENCE

The Center for Sustainability offers an experiential learning opportunity in which students apply knowledge learned in environmental science, bioethics and public health to real-world scenarios while working and volunteering at Cuyahoga Valley National Park. The public health course investigates how societies can work to improve the health of the community as a whole by preventing disease. Bioethics investigates the increasing importance of applying an ethical framework to societies advancing in science and technology. Students enrolled in the Center for Sustainability identify the intersections between those two courses and environmental science. The Center for Sustainability is a way to provide experiential learning opportunities to learn and practice living out our calling as Catholics to take care of each other and our planet.

College Credit Courses

Get a head start at Hoban and earn college credits that will stoke the fire of a successful college experience. Students can graduate prepared and confident in their next steps. All AP, ACC and CCP courses are graded on a weighted 4.0 scale

AP | ADVANCED PLACEMENT

Advanced Placement courses are taught by Hoban faculty using the curriculum approved by the College Board. Successful completion of coursework in the AP program allows students the opportunity to take the AP exam in May. Students who take the AP test and earn a score of 3 or higher may receive course credit from colleges and universities.

ACC | ADVANCED COLLEGE CREDIT

Advanced College Credit courses through Saint Louis University (SLU) are taught by Hoban faculty who are adjunct professors of SLU. Students who successfully complete a course are granted college credit through SLU. ACC courses are accepted at many colleges and universities nationwide. There is a per credit hour fee associated with taking ACC credits through Saint Louis University.

CCP | COLLEGE CREDIT PLUS

College Credit Plus allows students to take college classes at either Hoban or on-campus at a local university. Students taking CCP courses must complete an application and meet the program requirements. Students who choose to take classes at an Ohio public college or university do not pay for tuition, fees or textbooks. Students who take classes at a private college or university may have limited costs. Students receive both high school and college credit. Currently, Archbishop Hoban High School partners with Walsh University, Kent State University and the University of Akron for CCP courses.

The Hoban Community

Hoban welcomes a diverse community of learners who are ready to ignite their future. Each student enters with unique abilities, gifts and challenges to overcome. As Holy Cross educators, we help each student light their path, pursue it with blazing zeal and stay true to who they are.

Educational options at Hoban include Fine Arts Mentorship, Credit Flexibility and College Credit Plus courses available through local colleges and universities.

Faith Formation

Campus Ministry provides faith formation and support to students of all religious backgrounds as a way to nurture and fuel their faith beyond the classroom setting. The Campus Ministry Office serves three major functions—liturgy, retreats and Christian service—to complement the religious studies curriculum.

LITURGY

As a Catholic high school, the entire school family gathers for Mass at key times of the year. In addition, each grade celebrates one liturgy as a class each year. Morning Mass is celebrated every week and is open to all students and Holy Cross educators. Prayer services are held throughout the year. Students are encouraged to be involved in Christian Ministry by serving as an Extraordinary Minister of Holy Communion, lead the school in daily prayer and other opportunities.

RETREATS

Campus Ministry and the religious studies department offer retreat programs for all grade levels to help students create an experience that is true to them. In addition to the required annual class retreats, optional retreats are available.

- **SPES UNICA RETREATS** (held three times each school year for juniors and seniors)
- **HOLY CROSS CONFERENCE FOR STUDENT LEADERSHIP**

SERVICE

Christian service empowers students to be faithful to our Holy Cross tradition, which calls us to “have the competence to see and the courage to act.”

- **JAM** : A multiple-day, summer retreat for students to participate in a service project with a local community organization.
- **IMMERSION PROGRAM** : Domestic and international service immersion experiences are available.
- **PROJECT HOPE** : Hoban’s Outreach for Peace and Equality empowers students to prepare and serve food and share fellowship with members of the Akron community who are experiencing homelessness or other hardships.
- **TUTORING** : Students travel to St. Anthony of Padua and St. Mary elementaries to provide individual tutoring assistance with reading, spelling, math, vocabulary and other fundamental academic skills.

Student Involvement

At Hoban, there is something for everyone. With student organizations focused on academics, faith, service, music and more, the opportunities are virtually endless, and students are strongly encouraged to explore new experiences and interests. Hoban's campus life aims to complement the academic experience by igniting self-discovery, leadership and service.

Athletic Teams

Hoban's comprehensive athletic program offers students the opportunity to participate in 27 sports as part of a three-season schedule—fall, winter and spring. Applying Holy Cross values, coaches inspire, motivate, teach and reinforce the work ethic and attitudes crucial to team and individual success. Student-athletes receive strength training throughout the year in Hoban's state-of-the-art, 11,000 square-foot fitness facility.

Affordability & Scholarships

Archbishop Hoban High School is committed to providing financial assistance so that all qualified students have the opportunity to receive a Hoban education. For the 2020-21 school year, Hoban awarded more than \$2.7 million in financial assistance in the form of grants, endowed scholarships provided by The Hoban Fund and need-based tuition assistance. Hoban is an approved provider of the EdChoice and Jon Peterson Scholarships programs.

Archbishop Hoban High School and the Diocese of Cleveland use FACTS Management to determine eligibility for need-based aid and to manage tuition payments. FACTS is the nation's leading provider of tuition management, grant and aid assessment and school payment processing for private and faith-based schools. Families are required to complete an online FACTS Grant and Aid Assessment Application to be considered for assistance and to manage tuition payments. All assistance must be applied for annually. Students receiving endowed scholarships are required to write a brief note of appreciation to the generous donors to The Hoban Fund.
