

# MARQUETTE UNIVERSITY EXPLORER PROGRAM

## Marquette Explorer Program

The Marquette Explorer Program is a groundbreaking educational program that allows international students to take Marquette courses and earn Marquette University credits at certified Partner Centers around the world. Courses can be taken locally in students' home countries with Marquette-certified instructors or online, all year round. University credits earned through the program can be carried over to students' future universities in the US, Canada, UK, or Australia and applied toward their undergraduate degrees. High school students can utilize this program to get a head-start over their peers, save on tuition costs, and add rigor to their university application profile. Qualified high school students can also earn a US high school diploma if they take enough Marquette Explorer courses.
